1001 Humorous Illustrations For Public Speaking: Fresh, Timely, And Compelling Illustrations For Preachers, Teachers, And Speakers

Synopsis

You have something important to say. Are you sure your audience is listening? Clocks start ticking in the minds of your listeners the minute you begin your presentation. These clocks measure the amount of time you have to interest them before their attention wanders elsewhere. Could be three minutes. Could be thirty seconds. But make your audience laugh and they forget about their clocks. They are too busy listening. Make them laugh and they will listen. Humor is one of your most powerful tools as a speaker, and 1001 Humorous Illustrations for Public Speaking lets you wield it with power. Michael Hodgkin has compiled hundreds of humorous anecdotes on dozens of topics and brought them together in one book. From "Ability" and "Accidents" to "Work" and "Worship," Hodgkin's illustrations are arranged according to topic and indexed to help you quickly find the perfect anecdote. The book also provides space to record the times and places you use each illustration, so no one will hear you tell the same joke twice. Ideal for preachers, teachers, executives, and anyone else who speaks publicly, 1001 Humorous Illustrations for Public Speaking will keep your audience laughing -- and listening to every word you say.

You have something important to say. Are you sure your audience is listening? Clocks start ticking in the minds of your listeners the minute you begin your presentation. These clocks measure the amount of time you have to interest them before their attention wanders elsewhere. Could be three minutes. Could be thirty seconds. But make your audience laugh and they forget about their clocks.

They are too busy listening. Make them laugh and they will listen. Humor is one of your most powerful tools as a speaker, and 1001 Humorous Illustrations for Public Speaking lets you wield it with power. Michael Hodgkin has compiled hundreds of humorous anecdotes on dozens of topics and brought them together in one book. From 'Ability' and 'Accidents' to 'Work' and 'Worship,' Hodgkin's illustrations are arranged according to topic and indexed to help you quickly find the perfect anecdote. The book also provides space to record the times and places you use each illustration, so no one will hear you tell the same joke twice. Ideal for preachers, teachers, executives, and anyone else who speaks publicly, 1001 Humorous Illustrations for Public Speaking will keep your audience laughing -- and listening to every word you say.

Michael E. Hodgkin is the author of 1001 Humorous Illustrations for Public Speaking and 1001 More Humorous Illustrations for Public Speaking. He edits The Pastor's Story File and Parables, Etc., two newsletters for pastors and public speakers. He lives in Platteville, Colorado.

Hahahaahhaha

This book does in fact have a number of good stories that you can use for presentations, social events, gatherings and the like. It is heavily geared and would best serve the religious setting (for a sermon) but there are plenty of other stories and anecdotes that you could use for a non-religious setting. The concept here is that you grab the book, look for a relevant topic and you have almost a thousand stories that you can pick from. This can be useful when you are preparing a presentation and most of these are funny enough for you to be able to use to "break the ice" in a setting like this. If you need content and you do a lot of speeches and presentations paying less than \$10 for the Kindle version is a pretty good deal.

So glad for all the reference and topical list in the back of the book

Very apt for almost all purposes . It is easy to consult as it is alphabetically arranged for topics.

This book gives you some funny things to say when preaching, teaching or any other kind of public speak you have to do. Some are stupid funny and some are good humorous stuff.

I LOVE it. Turns of phrases change the meaning from complimentary to neutral and derisive! Will

certainly give you ideas & and laugh.

Received in high quality condition

good
