These were purchased as a present for my 11 year old son. He absolutely loved them and has reread them a few times now. Graphics are done well and are appropriate for his age range.

Awesome books, great, high quality hard-back books. Great deal!

I gave this to my nephew as a birthday gift and he loves it!

6yo son loves it.

My son loves reading these books, he even reads them over and over. I catch him reading in bed when he's supposed to be sleeping.

My grandson's favorite books. The illustrations are great, my 5 year old grandson loves these books. I have bought all that are available.

Great hardcover collection. Only issue is it is slightly smaller than comic book size, but still great hardcover bindings.
