Carousel: A Coloring Jones Coloring Book For Adults: Featuring The Horses, Menagerie Animals And Design Motifs Of Classic American Merry-go-rounds (Coloring Jones Coloring Books)

Synopsis

You'll love coloring these 20 intricate line drawings based on the horses, menagerie animals and design motifs of four classic American merry-go-rounds. The location of each carousel, and the carver or company who produced it, is noted in captions alongside the artwork. Let your imagination wander to a simpler era, and experience hours of relaxing, stress-free joy creating your own masterpieces from these ready-to-color images. Each drawing is on its own single-sided page, and features a center margin so you can color all the way to the edges. There is also a blank barrier page after each drawing, so you can use markers and watercolor without worrying about bleed-through. You can view all the drawings in this book at ColoringJones.com

Book Information

Series: Coloring Jones coloring books

Paperback: 90 pages

Publisher: CreateSpace Independent Publishing Platform; 1 edition (August 26, 2017)

Language: English

ISBN-10: 1974373630

ISBN-13: 978-1974373635

Product Dimensions: 8.5 x 0.2 x 8 inches

Shipping Weight: 8 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars 1 customer review

Customer Reviews

David Palmer's paintings have been exhibited in galleries and museums across the US, and appear in numerous public and private collections. He is the recipient of a MacDowell Colony Fellowship, an Artist's Grant from the Ludwig Vogelstein Foundation, and a residency at 18th Street Arts Center in Santa Monica. He has also created digital effects for over a dozen feature films, including The Polar Express, Spider-Man 3, and the first Harry Potter movie. He lives and works in Los Angeles. You can see his artwork and learn more about him on his website: www.davidpalmerstudio.com / Connect with him on Instagram @davidpalmerstudio

I absolutely love this book! The drawings are drop-dead gorgeous. There's a nice mixture of complex scenes, individual horses (whole ones and close-ups), menagerie animals (my favorites are the cats and the frog), and decorative patterns. Some of these you could maybe color in a couple of hours, and others would take several days. Definitely not boring! The images are based on four famous merry-go-rounds in California, and there are captions along the inner margins telling where they are and who created them. The carousels included are: Santa Cruz Boardwalk (Charles Looff), Santa Monica Pier (Philadelphia Toboggan Company), Griffith Park, Los Angeles (Spillman Engineering) and Balboa Park, San Diego (Herschell-Spillman). There are 20 drawings in all, and they really capture the joyful feeling of these carousels and the lost era they represent. The 8 x 8-inch drawings are on single-sided pages, and there's a very light dotted line along the left edge of each one that you could use as a guide if you wanted to cut them out and frame them (I'm keeping mine in the book). The paper is kind of medium weight, and there's a blank page behind each drawing to prevent markers from bleeding through. A note on the intro page suggests sliding an additional piece of blank paper behind the page you're coloring, and I think that's probably a good idea. I took a bunch of photos before I started coloring, and have attached some of them below. I'm ordering another copy of this book just to enjoy the drawings, and maybe a few more for gifts. What fun!
