Dad Jokes: Bad Jokes And Puns Inspired By Dads!

Synopsis

Everybody appreciates a good dad joke. Dad jokes are friendly little jokes that the whole family can enjoy, often focusing on puns and wordplay. Some people enjoy them because they find them to be genuinely funny, while others enjoy them because they can't believe just how awful they are! Over the years, dads have perfected the art of this inoffensive, positive style of joke as a way of entertaining both adults and kids alike. This book honors this style of humor by offering some of the best dad jokes around, guaranteed to make everyone you know either laugh or roll their eyes! How did the stupid dad get time off of work? He applied for thick leave! What do you call a knight who is afraid to fight? Sir Render! See the rest inside!

Customer Reviews

got for my son (brand new dad) and we both enjoy reading these lame jokes and puns.

Really corny but it gives my husband fond memories of his dad.

Pretty funny, my only problem is that when retelling the jokes, you have to drop out the dad part because it has nothing to do with the joke.

Great Christmas gift for my husband! We have only just started but there are definitely funny ones!

Thank you

I gave this to my dad the night before my wedding so he would have corny jokes to make us laugh during the father/daughter dance. I didn't want either of us to cry. It worked! They are definitely very corny! They are exactly what you'd expect a dad joke book to be!

My friend LOVES dad jokes! He is getting a lot of mileage out of this silly book!!

Cute. Fun to share with dad!
