99VA - Rounds And Canons - Viola

Synopsis

This progressive collection of performance pieces for experienced middle school through advanced high school players is presented in two sections: 3 and 4 part rounds and canons; and string orchestra arrangements of the rounds and canons. While the string orchestra arrangements are ideal for performance, the 3 and 4 part rounds and canons offer a variety of opportunities for studio, homogeneous group and heterogeneous classroom study. This flexible collection is a must for all orchestra libraries!
