Living on the South Coast (MA) the food tradition is so strong and proud. Though I'm not a native, I learned very quickly that the best flavors are the local ones. The ingredients that have been developed and perfected over time. This cookbooks offers the best of 'The Cape' and it's cuisine and I definitely recommend for great authentic recipes!

The recipes took me back to the time I was a year round resident of the outer Cape. Really good cook book but it isn't easy to get fresh New England seafood in my part of Virginia. Makes me want to live on the Cape again.

enjoyed, very nice condition

I gave this to my mom at Christmas she live in E. Orleans. It makes a great gift for anyone who lives at the Cape and wants a great cookbook.
