I have periodically come back to this little book for over 40 years and shared the chapter on Prayer of Dedication with ten or a dozen folks. .

Rahner gives a noble effort to explain a subject which eludes words. Everyone knows what prayer is but no one can put into words. Rahner gives a good try.

A powerful book on prayer by one of the most important Christian theologians of the 20th century. If you think you want to pray but have trouble even beginning because belief in a loving God seems like ludicrously wishful thinking in such a mess of a world, try out this book. Rahner understands suffering, he understands atheism, he understands angst (this book is based on sermons preached in bombed-out Munich in 1946), and yet he dares to be Christian and to pray. Two other books that I've found especially helpful: C. S. Lewis's "Letters to Malcolm: Chiefly on Prayer" and Ann and Barry Ulanov's "Primary Speech: A Psychology of Prayer."
