Sewing Edge - Reusable Vinyl Stops For Your Machine: 5 Strips

Synopsis

Sew faster and more easily without losing your precision! These vinyl strips replace masking tape and moleskin with a repositionable stop that doesn't leave sticky residue. The thickness creates an edge that guides the fabric in front of the foot. Sew with confidence every time! Works on all machines.

Customer Reviews

Say goodbye to sticky masking tape with these handy repositionable vinyl strips from C&T. Suitable for all sewing machines, the thickness creates an edge that guides the fabric in front of the foot so you can sew faster and more easily without losing your precision. (Popular Patchwork, August 2016)

Very clever strips. Does not leave any residue and very easy to re-use. I have this on 2/3 machines and am definitely happy with this purchase.

Very useful product. Installs easily and works great. Easier to produce accurate seams with this handy item.

Really works and are the greatest ever idea...thank you so much. Also got the ones for the rulers

and their great too.

Worked really well

I have been looking for this and it did not disappoint.

perfect

What a fantastic product. It enables you to sew a perfect scant 1/2" on any and all machines. The tapes are reusable so can be moved whenever you want to. All you need to do is align the tape on your machine and away you go. It's even easier if you use a corner cut tool that makes sure it's aligned straight. The tape makes it so easy to follow and you feel confident you are sewing in a straight line. In each pack you get 5 strips. We've also been using them as strips on my sons work so that he can find it easier to align his work. I really like this product. It's so easy to use and makes such a difference when you are sewing. I received this item/product in return for my honest review.
