Customer Reviews

Great for teenagers who want to read and understand the Bible. It provides explanations and examples of how to apply the Bible to their life.

Wow, This bible has helped me so much in understanding the bible in words that I can comprehend. The sidenotes also help in understanding what the verse is saying in a more modern approach. It is great for the teens.

This translation is easy to understand and I love the side notes.

Just received this. It would have received 5 stars but it was not as good of shape as I expected but adequate.

This is an amazing Bible. It has a lot of very good devotions and in the back has a very simple explanation of how to become a Christian and how to live the Christian life. I highly recommend it, not only for teenagers, but all ages.

Great bible

This is a really great bible for young people, as well as new believers in Christ. It is an easy format to read and makes a great present. Its not fancy like some of the ones they have now, but then again neither is the price. For the money, its a great read and excellent way to study God's word!

Jesus paid the price for my and your sins. Accept His free gift of life! Repent and ask Him to be your Savior and to forgive you. He'll do it! John 3:16
