Customer Reviews

"Alan T. Nolan's The Iron Brigade is a classic of Civil War literature." Gary W. Gallagher "I am immensely impressed ... This particular Brigade needed a book of its own and now it has one which is definitely first-rate... A fine book..." Bruce Catton "One of the '100 best books ever written on the Civil War.'" Civil War Times Illustrated "Alan Nolan has written a first-rate account of one of the most famous fighting outfits of the Army of the Potomac, the Iron Brigade... Nolan's book is unit history writing at its best, and it adds much to our knowledge of the larger story of the war..." T. Harry Williams " ... Remains one of the best unit histories of the Union Army during the Civil War." Southern Historian "... The Iron Brigade is the title for anyone desiring complete information on this military unit ..." Spring Creek Packet, Chuck Hamsa --This text refers to the Hardcover edition.

This is the story of the most famous unit in the Union Army. Originally called the 'Black Hat Brigade' because soldiers wore the army's regular dress black hat instead of the more typical blue cap, the Iron Brigade was the only all-Western brigade in the Eastern armies of the Union. The Western soldiers earned and justified the proud name Iron Brigade. And when the war was over, the records showed that it led all Federal brigades in percentage of deaths in battle. The North might well have lost the battle of Gettysburg if not for the Iron Brigade's famous stand.

Interesting book, easy to read and follows the sequences making very readable. Names the names and puts you there.

So many unit histories make for very dry reading, this is one that is an exception. The "Black Hats" are mostly known for their role on the first day of the Gettysburg battle in support of John Buford's troops, a role that was crucial in holding the tide of rebel forces until the Union was able to bring the rest of its army to bear. The Wisconsin, Indiana and Michigan forces however had a much wider role in other actions which are presented by the author in a very readable style. Mr Nolan has written other works on the subject, one of which I have read, but it would be hard to imagine a more thorough, enjoyable one. Highly recommended.

One of the best books ever written on this great group of Union soldiers.

A Civil War classic!

Excellent history.
