22 Attractions Cape Town Travel Guide

Synopsis

This article will give you a short summary of twenty-two places and tourist attractions that will make your visit to Cape Town really worthwhile. This Cape Town Travel Guide provides nutshell information on each attraction with the address and a website for more information on each. Besides some well-known tourist attractions you will also find a number of lesser known ones and even some almost no tourist will ever know about unless the secret is disclosed. The author is a Cape Townian himself and therefore this article comes from someone who knows Cape Town very well. Do not expect detailed information about the ins and outs of touring in Cape Town, but look forward to discover some hidden gems that you might not have uncovered in an exhaustive guide on the Mother City of Cape Town, South Africa. This article will also guide you on how to reach the various attractions mentioned either by using the best public buses or traveling by train from Cape Town station. It will also help you to easily and safely travel from Cape Town Airport to the City Center. Once at Cape Town Station in the City Bowl the bus services mentioned are within walking distance. People at Cape Town Station will easily be able to point you in the right direction. Traveling in Cape Town South Africa is easy if you know how. This article points you to two important websites to find your way around Cape Town via public transport. It also points you to websites that will give valuable safety tips you need to adhere to when visiting Cape Town, South Africa. This article is a Cape Town Guide in its simplest form. Buy it and it can act either as a supplement to an exhaustive Cape Town Travel Guide or as an additional source to your own internet research.

Customer Reviews

This books list some places interesting to the author. But, they are mostly restaurants a d pubs, not places that I would call "attractions."
