Adventurer and world traveler, Anton Swanepoel, hales originally from Pretoria, South Africa, but has called a number of exotic locations home. Educated as a software engineer, he worked for a large multinational company before deciding to travel the globe. Along life's journey, Anton became a skilled scuba diver and technical diving instructor, teaching for seven years while living in the Cayman Islands. His resume touts Tri-Mix instructor levels from multiple licensing agencies, and dive records over 400 feet. Mr. Swanepoel has always loved travel and writing. In the past several years he's combined these passions, authoring and publishing a host of books, sharing secrets he's learned along the way. When he's not exploring an underwater landscape or racing a motorcycle down a stretch of highway, you'll find Anton visiting world destinations and chronicling his experiences. Today, he is a full-time globetrotter and writer, having penned instructional guides for diving and travel, as well as a pair of fictional novels. His excursion titles are geared toward do-it-yourself travelers, who enjoy saving money and seeing the out-of-way places. His favorite destinations include, Machu Picchu, the mountains of Vietnam, and the Temples at Angkor Wat.

Lots of good, useful information

I had the opportunity of reading Mr. Swanepoel's 'Backpacking Southeast Asia' guide prior to its availability on . That being said, I was eager to pen a quick review with my impression and thoughts. Firstly, I would characterize myself as a somewhat adventurous traveler, however, the idea of backpacking a foreign land, especially one so different from North America, causes me much trepidation. I'm more the type to hook up with a tour group to see the sights, but as this author points out, I would miss the essence of Asia. This guide went a long way to bridle my fears and overcome my anxieties. I like having things laid out for me, and the step-by-step, instructional manner this book employs was ideal. Having someone who has walked the paths, ridden the buses and trains, and fallen victim to some of the scams, retains a value this reader could not over estimate. Still, I cannot see myself utilizing hostels, but if that's your thing, Swanepoel removes the guesswork there as well. The writing is detailed but entertaining. Some of the author's experiences left me shaking my head in amazement, and bewildered by his determination. The section on bed bugs had me scratching for days, yet it left me better informed and surprisingly prepared to avoid the nasty critters. I was also taken by the laws, corruption, and naivety of some travels but most of all by the beauty of the people and places. This is a concise guide for anyone considering backpacking Southeast Asia and I would

highly recommend it. My lasting impression is: ÄfÃ¢Ã ¬Ã Ëœthis is the only guide IÃ¢Ã ¬Ã â„¢d need to have a wonderful vacation experience, and if itÃ¢Ã ¬Ã â„¢s not in the guide I likely donÃ¢Ã ¬Ã â„¢t need to worry about itÃ¢Ã ¬Ã â„¢.

A total waste of money. A traveler can get the same info which most is just common sense in a more concise travel publication.
