Mañana: Christian Theology From A Hispanic Perspective

Synopsis

An in-depth look at Christian theology through Hispanic eyes. It weaves the doctrinal formulations of the early church on creation, the Trinity, and Christology into contemporary theological reflection on the Hispanic struggle for liberation. This volume offers a major theological statement from a respected theologian and author.Â Richly insightful and unique, *Manana* is one of the few major theological works from a Protestant representative of the Hispanic tradition.Â Justo L. Gonzalez offers theological reflections based upon unique insights born of his minority status as a Hispanic American.

Customer Reviews

This volume offers a major theological statement from a respected theologian and author. Richly insightful and unique, *Manana* is one of the few major theological works from a protestant representative of the Hispanic tradition. Justo L. Gonzalez offers theological reflections based upon unique insights born of his minority status as a Hispanic American.

Justo L. Gonz lez has taught at the Evangelical Seminary of Puerto Rico and Candler School of Theology, Emory University. He is the author of many books, including *Church History: An Essential Guide* and *To All Nations From All Nations*, both published by Abingdon Press.Â Justo L. Gonz lez es un ampliamente le do y respetado historiador y te logo. Es el autor de numerosas obras que incluyen tres vol menes de su *Historia del Pensamiento Cristiano*, la colecci n de Tres

Meses en la Escuela de... (Mateo... Juan... Patmos... PrisiÃ n... EspÃ-ritu), Breve Historia de las Doctrinas Cristianas y El ministerio de la palabra escrita, todas publicadas por Abingdon Press.

Well written and very challenging book. After living and working in Mexico City for five years I can say that Gonzalez is point on in his assertions about Hispanic culture and his book has greatly deepened my understanding and appreciation for that culture. A note to the publishers: If you're going to offer a Kindle version and charge full price for it, please do a proper edit job. The Kindle version is full of run-on words and misprints like Mariana for MaÃ ana. But for your sloppy and unprofessional scanning to text job I would have given it 5 stars.

Just finished the 11 chapters of this book in one week. My God! my God! I love my Latino brothers and sisters so much because we are cut from the same cloth. When you begin to read scripture from the lived experience of a people you'll begin to understand why you may seem like an oddball. Try looking at Christ from the eyes of the peasant, the oppressed, the marginalized and you'll find a different Jesus than the one that was preached to you from a place of privilege

Great book. Lays out different themes within theological thought, showing how there's always a lens applied to theology though we've been taught that there's such a thing as a neutral or normative view. Reading scripture through a lens similar to what it was written for - a book about an oppressed people group finally explained that way.

Great book, very cool to see theology put into perspective from a Hispanic perspective while acknowledging the true reasons for the rise and fall of other theologies.

Very helpful in understanding the Hispanic theological perspective and how it relates to systematic theology. Very thoughtful and challenging read.

Este trabajo de Justo L. GonzÃlez presenta una interpretaciÃ n de la teologÃ-a desde la Ã ptica hispana. Es importante que tanto los lÃ-deres de el mundo hispano asÃ- como los lÃ-deres del mundo anglo se familiarizen con las formas y maneras que nsosotros los hispanos interpretamos a Dios. Lectura obligada para cada pastor, educador.

Amazing book!!!

My favorite Liberation Theology book! Fantastic!
