Jerry Baker's Bug Off!: 2,193 Super Secrets For Battling Bad Bugs, Outfoxing Crafty Critters, Evicting Voracious Varmints And Much More! (Jerry Baker Good Gardening Series)

Synopsis

In this all new collection of cures and controls for unsavory yard invaders, Jerry Baker shares simple tips and tricks to banish bugs and other critters from lawns and gardens—•and almost all the ingredients can be found in the average cabinet. With homemade mixes, common products, and "old-fashioned grow-how," gardeners learn how to eliminate virtually any pest problem. Fixes are arranged by yard area afflicted, so a solution can be found as soon as symptoms are seen. Other features include "This is Their Life" pest profiles, "Grandma Knew Best" folk remedies, and "Ask Jerry" answers for common troubleshooting. Whether the uninvited guests are insects, rodents, or even larger mammals such as deer, these safe, natural, do-it-yourself tonics leave yards garden-party ready.

Customer Reviews

Jerry Baker is the author of more than 50 books, including Jerry Baker's Flower Garden Problem Solver, Jerry Baker's Giant Book of Garden Solutions, Jerry Baker's Green Grass Magic, Jerry Baker's Old Time Gardening Wisdom, and Plants Are Like People, and his gardening specials have been televised on PBS. He lives in New Hudson, Michigan.

Jerry Baker, the master gardener. Back in the day he was the K-Mart voice. I love him, quick wit, shows in his writings. Definitely not a boring book. Fun read, lots of information so much you must

mark the pages! A book that could spark a conversation, lovely read. Pick it up anytime, and flip through, no need to start front to back here. Great reference, as is all of his books.

I need to read this book from front to back! So much excellent info from a Master Gardener. The book was in excellent condition! Timely shipping.

This was a gift and she uses the information often.

So far all of the mixes and other info have worked well.

Very happy with this book!!

Good old Jerry, dose it again

This book has great suggestions for ways to get rid of pesky bugs in an environmentally friendly way. Jerry writes in a funny manner. I took this book to the doctor's office with me and the receptionist liked it so much she also ordered one from . I don't think all methods will work for all people or areas of the country, but they are sure worth trying. I would say that these remedies are going to be cheaper than bug spray at garden centers. If the first remedy doesn't work, Jerry normally provides more than one.

best book ever!
