Acoustic Guitar Primer Book For Beginners - Deluxe Edition (DVD/CD)

Synopsis

The Acoustic Guitar Primer Book for Beginners Deluxe Edition features step by step instruction, a beginner songbook, a DVD video, and 2 audio jam CDs in one complete package. This detailed course was designed to take the beginner through the basics of learning how to play the guitar, including rhythm and lead playing. The student starts off by learning beginning concepts like parts of the guitar, proper playing position, strumming, chords, and how to read guitar tabs. Later you will learn how to play easy songs and then more advanced techniques. The course includes a complete chord chart, an hour of video instruction, and all music is written in both standard music notation and tablature with lyrics and melody lines. The companion audio CDs contain 18 songs played at three speeds each along with an acoustic band, including vocals. These songs include Tom Dooley, Worried Man Blues, Roll In My Sweet Baby's Arms, Dark Hollow, Amazing Grace, Pallet On Your Floor, Way Downtown, Wabash Cannonball, and others. In addition to the DVD and Audio CD, all video lessons and audio tracks are also available for online access.

Customer Reviews

"Absolutely the best instructional product for the guitar that I have ever seen" --Flatpicking Guitar Magazine, November 1998

Bert Casey has been a professional performer and teacher in the Atlanta area for over 35 years. Bert plays several instruments (acoustic guitar, electric guitar, bass guitar, mandolin, banjo, ukulele,

and flute) and has written eight instructional courses (Acoustic Guitar Primer, Acoustic Guitar Book 2, Electric Guitar Primer, Bass Guitar Primer, Mandolin Primer, Ukulele Primer, Flatpicking Guitar Songs, and Bluegrass Fakebook). Bert performed for several years in Atlanta and the Southeast with his bands Home Remedy and Blue Moon. 25 years ago, Bert Casey and Geoff Hohwald started Watch & Learn to help revolutionize music instructional courses by developing well thought out, step by step instructional methods that were tested for effectiveness on beginners before publication. These products, which have dramatically improved the understanding and success of beginning students, have evolved into the Watch & Learn system that continues to set the standard of music instruction today. This has resulted in sales of more than three million products since 1979.

This book has helped my thanks

Great book to get you started on the right foot.

good learning book my grand son love its

Great!!

Would not recommend . The video portion of the program did not function as intended. The audio did function.

thank you

I teach guitar and use this book. I think it is the best resource out there by far.

Great book for beginners. Bert Casey goes step by step. I got more for our church members learning how to play the guitar.
