# Keyboard Talent Hunt: Book 1 Pre-Primer Level (Schaum Publications)

## Synopsis

(Educational Piano). This method is for the very young or gifted beginner in pre-school through age 6. Using only letter names, it remains off staff so students can develop hand-eye coordination, fine motor control and gain a sense of rhythm. Optional teacher duet accompaniments included. All pieces are in the C Major or G Major hand position and use nursery rhymes and pre-school topics. Book 1/Pre-Primer starts with C-position and adds G-position. All pieces are played hands separately.

great teaching book

Someone recommended this series to me for very young or special needs piano students. I started using it for all my students. It's a wonderful way to teach the basics of music reading, and the skill transfers easily into the staff after the student has mastered it.
