Customer Reviews

This is a good start. I would like to see the break down of carbs, proteins, sugar levels, etc... And it

would help to know what could be substituted if you did not have - say Kale on hand, but you might have spinach.

I haven't tried all of the recipes yet, but the ones I have tried have helped in balancing my blood sugar levels throughout the day. I have Type 1 Diabetes, and it can be extremely difficult to manage. Anything that helps is awesome. ;D

Simple ingredients, you can substitute so long as you stay on a similar venue. And they're tasty!

Am diabetic and looking for better nutrition. This will help me reach my goals. Love my nutribullet, makes my life more manageable.

Good delivery. Good purchase.

Helpful and useful

Great recipes!
