Ellen Miles loves dogs, which is why she has a great time writing Puppy Place books. And guess what? She loves cats, too! That's why she came up with a brand-new series called Kitty Corner. Ellen lives in Vermont and loves to be outdoors every day, walking, biking, skiing, or swimming, depending on the season. She also loves to read, cook, explore her beautiful state, play with dogs, and hang out with friends and family. Visit her web site at www.EllenMiles.net.

I read this book aloud for my 11 year old son, who's a pet-lover. We especially enjoyed that there was a cat in this one. It takes place at Christmas time, but it is a pleasure to read at any time of the year. We've read at least three other books from the series, and some of them teach us more about caring for pets than others. This one was a little less educational, but enjoyable none the less.

My daughter loves these books.

Great series. Kids love it, and we both get lots of laughs while reading.

Kitten and dog... my daughter loves both and enjoys this story!

I like this book because it has dogs in it and I would recommend this book to my friend Kiersten and I rated this book the way I did because I love dogs

I bought this book for my 6-year old daughter to read during her summer vacation. She enjoys animals and read all of the Kitty Corner books and now Puppy Place. I would recommend this book as a layback, enjoyable reading material for 1-2 grade children.

My son loves all of the Puppy Place books! It's so wonderful to finally find a good, clean series that I feel comfortable letting him read many of them without me proof reading them. Love this author!

Item arrived as promised, in time to be a birthday gift. Thank you!!!!
