Pirate's Plunder: An Adele Bonny Adventure (The Adele Bonny Adventures)

Synopsis

In this first book of the Adele Bonny Adventures trilogy, protagonist Adele Bonny begins as a self-satisfied woman in a happy marriage and a glamorous lifestyle in the Caribbean playground of the rich. But all is not what it seems. First the husband's infidelity comes to light; next his theft not only of her lovingly-restored boat, but of the family fortune she inherited.Â Just in time, Adele begins to hear a voice in her head, which she discovers is that of her famous female pirate ancestor, Great Aunt Anne Bonny. Part conscience, part mentor, Anne provides just the goad Adele needs to take back what's rightfully hers. She now has just thirty days to track down a ruthless group of murdering mercenaries and her family's own pirate treasure. While drawing survival tips from her long-lost pirate relative, Adele also connects with two other co-adventurers. One is the eccentric owner of Pirate's Plunder, pirate loot retriever. The other is a vibrantly masculine adventurer with whom she strikes up a hot romance, but whose military background she can't confirm. Is he part of the solution . . . or part of the problem? During this dangerous adventure on the high seas, Adele begins to find not only her family treasure, but also her true self.

Customer Reviews

Wendy Wilkinson, New York Times bestselling nonfiction author, presents her debut novel PIRATES PLUNDER: An Adele Bonny Adventure. This first book in a trilogy chronicles the historical adventures of 18th century pirate Anne Bonny and her fictional niece Adele Bonny, thirteen generations later, who team up together to solve modern day Pirates retrieval cases throughout the

Caribbean. Wendy is also a well-known writer of celebrity interviews for national magazines.

I recently downloaded Wilkinson's first pirate book ARGHH.. and so enjoyed it that I recently bought the paperback edition of her new Pirate novel, Pirate's Plunder. I wasn't disappointed and thoroughly enjoyed the yarn which combined modern day and historical female pirates in an exciting and extremely interesting story. A highly recommended adventure story.

Reading Pirate's Plunder immediately transported me to the Bahamas and a life of adventure. Wendy captured the spirit of the Islands and had me hooked from the first page. I loved the historic references and the play between Adele and Anne Bonny made me yearn for more. It's always wonderful to see a heroine prevail!

I read ARGHH and enjoyed it as the tease for PIRATES PLUNDER. Pirates Plunder did not disappoint. It was a very fun read. I'm heading to Cancun very soon and wish I would have saved it to read on the beach. I do recommend this captivating read to all people who enjoy pirates and adventure.

I am just about finished with it. Can't say that it is the best book I've ever read. I think it's her writing style that is a little flat. The story line is okay but I wouldn't go looking for any more books from this author.

The story started a bit slow with character development, But the pace of the story picked up and it was hard to take a pause. Looking forward to reading the next adventure of ADele Bobby.

If you're interested in learning more about Anne Bonny, Mary Read, and Calico Jack Rackham, I recommend a book titled "The Sweet Trade" by Elizabeth Garrett. Several books use the title "The Sweet Trade" so look for the one by Elizabeth Garrett.

Pirate's Plunder is a great summer/beach book. Colorful, endearing characters. Tropical settings. Adventure and a touch of romance. I recommend Pirate's Plunder.
