Synopsis

Als PRIME MITGLIED jetzt UMSONST AUSLEIHEN! As a Prime Customer, you BORROW this BOOK for FREE and don't pay a single cent! You like nature? You feel a desire for country life? Then do it right and go to where the real nature is! Beautiful pictures – taken by friends, in coffee-table books or, nowadays, in eBooks – are one of the strongest motivations to start fancying travelling to new places and countries. With this book, I want to offer you 35 good reasons to consider a visit to the Baltic states, especially Latvia. Or, if you have already visited, to invite you to see Latvia with my eyes. PRIME customers in the U.S. borrow this book WITHOUT PAYING a single cent! ;) Latvia is a highly fascinating country and year after year more people decided to spend their holidays off the beaten tracks - and are highly rewarded. A few reasons should become obvious after seeing this book. Riga has always been a magnet for tourists, but hardly anybody continues on into the rural areas. Enjoy the vast emptiness of Latvia - it will have been a long time since you were surrounded by so few people.. All texts within the book in English! The book has been revised and now contains 33 colour and 2 b/w photos (which will all be rendered in b/w, if your device uses e-ink). So you get a bonus of 5 extra photos! By the way, viewing the book on your tablet or computer with your Kindle app renders the photos in their original colour. (DON'T HAVE A KINDLE APP? GET IT FOR FREE!)

I enjoyed the beautiful pictures. It would have been nice to see pictures from all the four seasons not just summer.
