## **Customer Reviews**

Love these little planners. Great size for carrying in purse or handbag. Lots of room to write on the inside. Nice binding and printing. Has a little pocket in back for small storage (post its, business cards, appointment reminders, etc). Have had three different ones of these and they hold up.

been using these planners for years! just enough space, just the right size to fit in my purse and take with me every single day. since i have yet to catch up with the rest of society and use my phone.

Very pretty cover and great quality. The inside is a little plainer than I would prefer. I would probably give it 5 stars, except that I wish it had ribbons to help mark the current week (my last planner has these and they are so useful).

HAVE PURCHASED ONE EVERY YEAR FOR THE PAST 6 YEARS...LOVE IT.

I love this calander for writing as much or as little as I want since it doesn't have lines, which is great if you have bigger hand writing.

I gave this as a gift. It is exactly what the receiver wanted.

very nice

I love this calendar. This is my third year using this layout.
