The Berenstain Bears Keep The Faith (Berenstain Bears/Living Lights)

Synopsis

Brother and Sister Bear[™]'s friend Ferdie Factual loves science. Brother and Sister like science too. But when Ferdie tells Brother and Sister he doesn't believe God created the world, the bear cubs don't know what to think. What does it really mean to have a faith in something you can't see?

Stan and Jan Berenstain introduced the first Berenstain Bears books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too. Though Stan died in 2005 and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

I love Berenstain Bears and especially their faith inspired stories, but this was a bit of a disappointment. Ferdie doesn't believe in God (only science) which leads the cubs to ask about faith. Neither Mama nor Papa can explain their faith and take the cubs to the Pastor who shares the story of Daniel's trust in God. I wish they would have been a witness to Ferdie or addressed how God and

science co-exist. Maybe in a future story.

It's sad that some people don't believe in God, which made me sadder that one of Brother and Sister's friends doesn't believe in God. When Brother Sister went to the minister to ask him a few questions, one of the things he told them is that it's important to keep the faith. I suggest you do the same.

We love the messages in all of BB books!

Great book for kids!

Great Book

Love the Berenstain Bears since I was little. This tells a good story without going overboard. Love that they have incorporated faith in their books.

perfect for children's ministry

Loved this book!
