Malta (Insight Guide Malta)

Synopsis

One of over 400 titles in the Insight series, Insight Guide Malta. This 312-page book includes a section detailing Malta's history, 7 features covering aspects of the island's life and culture, ranging from its ribald sense of humour to its aged fleet of rusting workhorse cars, a region by region visitor's guide to the sights, and a comprehensive Travel Tips section packed with essential contact addresses and numbers. Plus many complementary photographs and 9 maps.

Customer Reviews

As usual, the Insight Guide relies heavy on photography for a visual feel of the country, probably 40% of the book is photographs, the quality of which is good to very good. With 80 pages of Maltese history, you will get more in depth history here than with any of the other travel guides. The text does not pull any punches with discussing Malta & its people when it comes to their love of killing birds, leaving trash around, stealing car parts, overbuilding the island, being stubborn, or being horrendous drivers. But there is also an understanding and appreciation for the natives. The essays on Maltese people, their vehicles, the architecture, and superstitions are good. The last 20 pages of travel tips are helpful, the hotel recommendations adequate, the description of the various areas of interest detailed. This book is too cumbersome to take along, this is more for pre-trip research. A good book if you are heavy into the history end...
