Customer Reviews

The National Hockey League (NHL) is the premier ice hockey league in the world. Begun in 1917, the NHL now consists of 30 teams in the United States and Canada. The headquarters are in New York City.

These are the rules as written, some appear written in Greek, but they are the rules. A publication that has the rules, followed by some plain English commentary would be better than this one. This publication sets forth the rules and no more. You provide your own interpretation and color commentary.

Great rule book. The real deal. Totally official.
