North West Ulster: The Counties Of London Derry, Donegal, Fermanagh And Tyrone (Pevsner Architectural Guides: Buildings Of Ireland)

Synopsis

The remote, rugged, rough country of North West Ulster possesses buildings as varied as its landscape. This volume shows that from its earliest centuries survive monuments of the Celtic church, in particular the sculptured cross slabs, high crosses and round towers, and medieval tower houses.

Customer Reviews

I have owned this book for thirty years and it has never ceased to delight me. Anyone who wishes to know more about the buildings and landscapes of north west Ulster will find its scholarship impeccable, its judgments sound, its tone a nice balance of astringency and enthusiasm. Take it with you in the car. Browse it at home. Flick through it in idle moments when you're far from Derry, Donegal, Tyrone, and Fermanagh. It's a superb volume.
