Kilt Trip: Part 6 (A Scottish Highlander Historical Romance)

Synopsis

THIS IS THE FINAL INSTALLMENT OF KILT TRIP Our villain, Baron Braithwaite, awaits us in Edinburgh...DISCLAIMER: In the tradition of Charles Dickens' The Pickwick Papers, The Three Musketeers, and The Count of Monte Cristo, KILT TRIP is a serial Scottish Highlander romance to be released in parts of approximately 50 pages each, most of which will end in cliff hangers. If you're not a fan of this format and don't like to be tortured, spare yourself. Turn back now. Scotland, 1704 It's all about that kilt! Acting on a dare, three English brides-to-be sneak into Scotland for a scavenger hunt, their last adventure before marriage. Mallory wants a piece of pirate's treasure, and Vivianne yearns for a love letter from a poet. But Bridget has more on her mind than the game. She knows life with her evil, blackmailing fiancé will be hellish, so she's determined to make him suffer too--by stealing a Highlander's kilt and leaving him to wonder how she acquired it. The Scots charged with finding and protecting them along the way are entirely wrong--and perfect--for the job. Rory, for instance, is a kilt-clad Highlander, but he'd rather die alone in a cave rather than get within ten feet of another Englishwoman. Unfortunately for him, the duty to pay his grandfather's debt will get him and his two friends much, much closer to the lasses than that. Come along for the ride.

Customer Reviews

All of the LL Muir books are a fun read and very entertaining. Lovely characters, and love stories that develop. Great reading and a vacation in a book!

I really liked these books however I gave them a less than excellent rating because in order to finish the one story you have to purchase several books, 6 books in fact. The story spans 6 books when in fact the books are actually chapters. Expensive

I honestly hated for this series to end! This series had it all! Laughs, tears, adventure, mystery, suspense, and a romance so sweet! I couldn't stop reading until I read the last page of this last book in the series! I highly recommend this series!!

All the prequels were good. This one is twisted. With horrible imagery of killing a just born baby, mother and father that I would not expect from ChickLit.

Great ending to a great story series! I admit I'm not much a fan of serial type stories but I was on the edge of my chair with each one, and this one wraps up the storyline quite nicely. Good job Ms Muir!

Nice enough story, too short and why has she separated what is clearly a full book.

Loved the book

Would like to see more of this series.
