The Lost Keys Of Freemasonry (Also Includes: Freemasonry Of The Ancient Egyptians / Masonic Orders Of Fraternity)

Synopsis

Here is Manly P. Hall's classic work on history's most secretive brotherhood- reset and collected with two additional celebrated Hall volumes on occult Masonry. Freemasonry is the subject of perennial fascination-recently the cover story of a national newsmagazine, the premise of the movie National Treasure, and the anticipated basis of a forthcoming novel by Dan Brown. The twentieth century's great scholar of occult and esoteric ideas, Manly P. Hall was a Mason himself and nurtured a lifelong interest in the secret fraternal order, making it the focus of one of his earliest and best-loved books, The Lost Keys of Freemasonry. In this celebrated work, he examines the ethical training required of a Freemason, and the character traits a Mason must "build" within himself. Hall's 1923 volume is now reset and made available exclusively in this new edition, along with the author's two further classics on Masonry: - Freemasonry of the Ancient Egyptians (1937), which explores the roots of Freemasonry in the initiatory temple rites of Pharaonic Egypt; and - Masonic Orders of Fraternity (1950), a fascinating work of short history that chronicles the reemergence of Freemasonry in Europe in the seventeenth and eighteenth centuries. It surveys the lives of Masonry's modern architects and the secretive organizations that immediately preceded the brotherhood. This three-in-one volume features the original illustrations of each book, for a total of nearly thirty images, including recreations of scenes and rites from Masonry's unusual history. It also includes a new index encompassing all three titles.

Customer Reviews

Manley P. Hall (1901-1990), widely regarded as a sage and teacher steeped in the wisdom of antiquity, was one of the leading esoteric scholars of the twentieth century. The author of the landmark work *The Secret Teachings of All Ages*, Hall was named a 33° Mason in 1973. It is the highest rank Freemasonry can bestow.

For the master mason, this book reveals without violation, the deeper drive of the brotherhood. All newly raised masters should study this informative text, and govern themselves accordingly

Good reading

good reading well worth the time

This book is very helpful in the education process for masons. It is a little difficult to read as it was written in the early 1900's for masons at the time. The content is still interesting but takes a little time to read it. I will be passing my copy on to members of my lodge to keep as a reference book.

This goes "hand in glove" with *The Meaning Of Masonry*, W.L. Wilmshurst 1928. An excellent read which may require reading it 2 or more times in order to grasp all that is contained in this book.

This is a good book for anyone who is thinking about joining the Freemasons. I would recommend it to all of my friends. There is more to being a mason than joining a group or carrying the name or wearing of a ring..

Nice well written

Great bood
