Synopsis

The night is made for love...LORD KEEPER by Tarah ScottNo man bargains for war when he chooses a bride, but when he steals her from holy ground, he can expect nothing less. Iain MacPherson swore he was nothing like his father, but his kidnapping of Victoria Hockley, the Countess of Lansbury is the first step toward the same obsessive jealousy that fueled his father's life-long feud against the chief Iain's mother loved. A kiss, a midnight race for freedom, and a royal missive force Victoria into her captor's arms. Hallowed ground can't save her from the devil that followed her from England. Yet the Scottish lord who swears to protect her is far more dangerous. EDGE OF YESTERDAY by Sue-Ellen Welfonder and Tarah ScottMen are disappearing in the Highland crofting village of Heatheredge. The authorities suspect foul play, but without signs of violence—or bodies—they can't prove a thing. World champion swordsman Cailean Ross is living the fantasy of a lifetime as the victor of Heatheredge's medieval reenactment Gathering. But when the fantasy turns into reality, swordplay becomes a fight to the death and he finds himself among the ÆœmissingÆ statistics. Julianna Mackay flees a man she fears is an evil wizard and literally runs into handsome Cailean Ross. Cailean defends Lady Julianna from her attackers. Together, they set out in search of the key to a six-hundred-year-old curse that can only be broken in medieval Scotland. When the veil of time is lifted, Cailean and Julianna find that love may not be enough to save them or those they hold dear. LORD GRAYSON'S BRIDE by Tarah ScottShe can't allow his love for her to destroy him...When Nicholas Spencer, Earl of Grayson, returns to claim the woman he loves, Lady Josephine Knightly isn't willing to forgive him for abandoning her six years ago. But neither can she resist the man he's become. Two days after Josephine signs the marriage contract she discovers a nasty secret that will destroy her family. The only way to protect them is to protect the only man she's ever loved—is to disappear...or die. Nicholas won't make the same mistake twice and let Josephine Knightly go. She loves him. He felt it in their one kiss before he left, and in the single kiss she allowed since his return. But she's doing everything in her power to sabotage the marriage even before it's begun. Nicholas doesn't care. If Hell is where he must live to have her, then she must stand by his side in the fire. A KNIGHT OF PASSION by Tarah ScottThis book is spicy romance. Lady Riana Ellis will risk the fires of Hell for those she loves. Can she let a man do the same for her? As whore for the Duchess of Arundel, Lady Riana Ellis keeps her sister safe from the duke's lascivious desires. Now the duchess demands that Riana murder the man already sent to her bed. But the wrong knight arrives. Time is running out. Riana has set into motion the

downfall of the duke and duchess. If she and her sister don't escape, they'll be crushed when Arundel falls. To ensure her sister's freedom, Riana must give the performance of her life and fool the man in her bed—and the woman watching them. Sir Bryant Cullen determines to have the duchess—a whore. Her land is a prize, but it's her secrets he wants. Once he knows what she knows, he will control one of the most powerful houses in Scotland. And she will be his. But Riana waits for no man to save her, trusts no man—no matter how much he sets her body on fire. When Sir Bryant puts his life on the line for her, how will she stop his sacrifice?

Customer Reviews

Romance is the name of the game in this book. This book delivers what we all want more romance and excitement in our life. Overall I am very well pleased with this book and the excitement it has brought me. This book had me unwilling to put it down until I turned the last page as I was so enthralled with the plot. The author of this book knows how to deliver the good in this romance novel.

Would I recommend this book to other people? Yes I would including friends. I absolutely think this is great book. All opinions are my own and they are not influenced by anyone but myself. If this review helped you at all please vote yes below.

This rating doesn't fit all the authors, but is given as an overall for the series. I have no objections to a few cuss words but using the Lord's name as one is a no no and I hate the f word. Love series books, but hate continued stories that don't finish the story and leave you hanging! I enjoyed the stories lines though and would recommend them as a whole.

some were nice stories though others not so much, left reading this collection in the middle to start another, couldn't hold my attention.

Don't care for short stories

Loved the series.

Haven't read yet

It's a four star read because I hate cliff hangers and the second one isn't available which is doubly bad. The first book threw me a little in one spot but it was a good solid read. The second one was a solid read until I slid off the edge of the cliff and there was no place else to go.
