A Cross-Stitch Christmas: Share the Joy (Better Homes

This is a wonderful book to add to your cross stitch library. I have bought all of the Better Homes & Garden Christmas books. They are all very different. Each has a lot of ideas for gifts and keepsakes. It has everything from Santas to the Nativity. It has cute items; to items that are absolutely stunning. You find ornaments, gifts, samplers, dining accessories, and clothing. There is something for everyone.

This book is so great that I bought it twice. I'm giving one away to a friend who is also loving it.

Great new patterns!

I am collecting all of these books. Great for the cross-stitch enthusiast.

I bought several yarns to make presents this year and am going to make some with plastic canvas and/or aida cloth. All the craft books I have received have given me some great ideas.

Beautiful patterns...

Great condition. Can't wait to start on my projects!
