Cute coloring book for little people. The pictures are adorable. The crayons are JUNK. But most people have good crayons. And honestly, they work fine, they are just no crayola. But that has NOTHING to do with how cute and wonderful the coloring book is!

My 7 yr old grandson LOVES this activity! Great gift! :)

Such a cute coloring book. My daughter loves it!

My niece loves it! Perfect for a 5 yo. It keeps her entertained for quite sometime, she does love to color and read.

Kiddo loved it! The snap is a little cheap, and we had trouble re-snapping it at times, but overall, it's good.
