This is a beautiful read about a beautiful country with rich history and wild beauty. Thailand is one of the most popular tourist destination all over the world. It doesn't matter whatever the budget of your tour there is always a room for you in Thailand. This book will give a proper introduction and a little description about the most desired festivals and locations all over the Thailand that attract the tourists most. And reading them will definitely increase your eagerness to see this beautiful country.

A well balanced book,although I disagree with some points.A lot of important information about Thailand gathered in this book.I was actually impressed by how much useful information is squeezed in such a short book.Author described every single thing very clearly with some proper explanations.Such an excellent book.Highly recommended.

This is a great guide to travel Thailand. It will save you time and money in a stress-free way. It will help you to enjoy the best days of your life! I love this book for giving me a lot of information about Thailand. It makes me more excited to go there immediately! This is a great guide for anyone interested in going to Thailand.

Very useful and information is up to date. Thailand is a very large country and all the maps are very much needed. Well, this book has a great resource for breaking down what to do, how to do it, where to stay, planning itineraries, how to get around, what to be careful of everything. I already recommended this book to my sister who's also planning to visit Thailand next month.

I love this book for giving me a lot of information about Thailand. It will save your time and money in a stress-free way.It will help you to enjoy the best days of your life!

This is a great travel guide to travel Thailand. It will save your time and money in a stress-free way.It will help you to enjoy the best days of your life! Such a great resource on my trip! I would recommend it to all mu friends.

I used this travel guide for my recent trip to Thailand where I traveled from north to south. For me it is up to standards of their other travel guides. The really packed in a bunch of good information in a relatively small book.

This was a great resource for planning a trip to Thailand. Very impressed. Haven't traveled to Thailand yet but very excited and book is wonderful. Very informative book on Thailand. Would recommend it to anyone visiting Thailand.
