Basic Techniques Of Low Level Laser Therapy

Synopsis

The book describes a modern look at the mechanisms of therapeutic action of low-intensity laser illumination, explaining the high efficiency and safety of low level laser therapy. Basic techniques of treatment are presented in a simple and understandable form. For more information about the new techniques and the latest research in this field of science and medicine, please refer to our website <http://lasmik.ru>. New laser therapeutic devices of the "LASMIK" series with unique laser emitting heads are the most effective when implemented by the majority of techniques presented in the book. The book is intended for everyone who uses low level laser therapy in their professional practice.
