Summer Opps For Kids & Teenagers 2005 (Peterson's Summer Programs For Kids & Teenagers)

Synopsis

Safe, fun, and enriching summer programs are the backbone of Peterson's Summer Opportunities for Kids & Teenagers. The annually updated guide provides complete information on more than 3,000 summer camps, arts programs, sports clinics, academic courses, travel tours, wilderness adventures, and volunteer opportunities throughout the U.S. and abroad. There are programs for every child's interests and every family's budget; from pre-college preparation courses held on private school or college campuses and traditional summer camps replete with lakes, to wilderness treks in the American West, community service projects in Costa Rica and bicycling, sailing, or train tours to hundreds of countries around the world.

Peterson's Summer Opportunities for Kids & Teenagers also includes detailed two-page descriptions written by camp personnel for nearly 300 summer camps and programs.
