Customer Reviews

Atlas Finally Arrived. I waited 16 days for it, but i am happy and relieved to see it.

It's very useful, clear and very handy

I purchased this map for my brother who recently moved to Queens New York. Although it's usable I didn't realize the map was several years old. It was in good condition and my brother is using it.

Still helpful for trips to the Big Apple. GPS not so much since too many cross airwaves. Nothing to interfere with this atlas.
