Jill Rutherford is the Academic Director and founder of Ibicus International, one of the IBAEM

regions leading training organizations. She has extensive experience teaching and consulting on IB Environmental Systems and Societies. Gillian Williams is Education Director at Utahloy International School in Zengcheng, China. She has experience of teaching and examining IB ESS, TOK and Geography, and has been involved in curriculum review for both ESS and TOK. Prior to her move to China, Gillian taught in Jordan, Tanzania, and Malaysia.

I ordered from the picture and description the 2014 edition of this book and the book delivered to my kindle is the 2009 edition!

Good content, too many typos. Seems like it was sent to publisher too quickly without enough editing. Glad it follows the course curriculum, and has good examples and case studies. I wish there were more review questions per chapter. My students would love some study questions.
