Mucha 2017 Square Flame Tree (ST-Glitter)

Synopsis

The work of Alphonse Mucha is said to epitomize Art Nouveau. He has become best known for his poster designs, but Mucha was an accomplished artist and designer who also created interiors and designed jewellery, carpets and fabrics. His artwork evoked a beautiful, spiritual life, and this calendar features 12 of his beloved masterpieces. In this wall calendar with a glittered cover, informative text accompanies each work and the datepad features previous and next month's views.

Customer Reviews

I wanted a Mucha calendar and this one has the best cropping; I didn't really want words from old advertisements. However, GLITTER. Good news: the glitter is only on the calendar cover, and the only thing printed on the inside of the cover is a tiny version of the last 4 months of 2016. I cut the cover off outside and took my safely de-glittered calendar indoors with me. I made as little contact with the glittered cover as possible, but I can tell you just from limited handling that it's very poorly secured glitter and will get all over everything. But the printing is beautiful, the date pages are simple and not too glossy to write notes on.

There is only glitter on the cover. Good quality larger pictures of interest if you're into Mucha.

Absolutely beautiful, prepare to get glitter all over your house upon arrival though! The images are printed nicely and the calendar has all the major holidays and many more. Gorgeous product

Beautiful Calender!

Love it!
