This book, about the amazing Sascha Brastoff, has been everything I needed. It has saved me money, by being able to truly identify pieces made and signed by Sascha! Thanks to Steve Conti for taking the time to create this gem of a book.

Great photos and good biography too. A mix of Picasso and Liberace!

as described

Beautiful book! Well done!

would be nice to have an updated version. wish the authors had revealed more about his personal life. good info about a fascinating artist of the mid-century

Great Item.

great book

Very well written with wonderful pictures. A most interesting biography of Saschas life. Anyone interested in pottery, sculpture, and many other forms of art will love this book. Feel free to contact me regarding this excellent book. I have a very large library of books on antiques and collectibles, this is my favorite.
