So I'm in the play and this has helped soooo much! I love it. It has the music in a clear SATB format and there is the piano accompaniment at the bottom. It's a little bulky but that's about it and the ONLY reason I didn't give it 5 stars. Also the full script is placed before or after the song preceding it or after it. Very helpful.

Clearly printed. This edition contains the music, lyrics and all the dialogue of the musical.

Great work, clear easy-to-read score. All the stage direction and dialogue. Impeccable - like the faces of gentlemen, who never thereafter were heard from again. Good stuff! Attend the tale...

The complete vocal score with piano accompaniment. Includes dialogue between numbers. Also includes numbers added for different venues.

The score comes at a great price. Only issue is that some of the dialogue is in conflict with the scripts you can rent from the publisher.

This score contains all the music (and dialogue) in the show. It's Sondheim so the music isn't necessarily 'easy', but that in no ways diminishes the quality of the score. Of course the way it's bound makes it difficult to play at the piano or stay open, but I usually just cut off the binding and put in a spiral and that worked fine!

I wish all the scores I buy were as clear and readable as this one. I would recommend this score to anyone.

Excellent!
