Noah

Synopsis

The animals came two by two--Some hopped, some crawled, others flew. The boat would be a floating zoo. Noah was a faithful man. What marvelous lessons can be learned from Noah's faithfulness! People laughed at his soon-to-be-floating zoo, but Noah had heard from God and he trusted what the Lord had said. So he built the ark. And God took care of Noah and his family. This wonderful Bible story has been brought to life through Christian singer Mary Rice Hopkins' fun-filled lyrics. And Wendy Francisco's charming illustrations capture the wonder of captaining the biggest boat of its time and housing a pair of all God's animals for so many days. Here's the true story of a faithful man, a faithful God and a great flood like your kids have never heard before!

True to the Biblical account and very well written for young children. Artwork is excellent - but where are the dinosaurs?
