Books For Kids: Minecraft Diary Of A 6th Grade Kawaii~Girl (a Hilarious Adventure For Children Ages 9-12)

Synopsis

I am one of the member of the Kawaii~Girls, a group of Popular & cute girls. Me and my Best Friends are moving into Our new home! We're excited to get our rooms set up and meet the new neighbors! It's my first day in the new neighborhood and the only person I know is my best friend (but she might be a little too cute & popular for me). I was just another scrawny kid until a group of kawaii~girls recruited me into their clique. It was a world of trouble I wasn't prepared for, which is why I kept this diary (or "chronicle" as my mum would call it) - to warn other kids about the Insidiousness of becoming a kawaii~girl. They say history is destined to repeat itself... well, not if I can help it. Diary of a 6th Grade Kawaii~Girl is a funny thriller that's entertaining for children, middle school students, and adults.

A fast-paced interesting story that is as entertaining as the famous Nancy Drew series for teen girls. The story connects instantly, which easily converts the reader into a die-hard fan of Minecraft Diary. This is a sort of tale that make children love books.

I have been reading the Minecraft series with my lil brother, and when checking for the latest release, s stumbled upon this one and I decided to try it with my niece, she loved it and now she wants to read the whole series....
