# GHOST STORIES: Compilation Of Horrifyingly REAL Ghost Stories- Truly Disturbing-Hauntings & Paranormal Stories (Unexplained Mysteries, Haunted Locations, Haunted House, Possession,)

## Synopsis

Discover the Horrible Facts of These True Ghost Stories!Â Warning: All the stories in this book have been verified as TRUE! These are not hoaxes â “ they are backed up by FACTS. Maybe disturbing for some!Â Read This Expanded Edition for FREE with Kindle Unlimited - Download Now!When you download Hannah J. Tidyâ™s Ghost Stories: Compilation of horrifying REAL ghost stories- Truly disturbing Hauntings & Paranormal stories, your skin will crawl with the idea that these stories are real â “ and could happen to anyone.In this New Edition Ghost Stories, youâ™ll find a new horrifying chapter on a particular art piece that has been circulating eBay believed to be extremely haunted! buyer beware. and many many more newly added Ghost Stories.Hereâ™s an excerpt from the book:Haunted Painting- Little did he know that what he created would become something of a legend. Looking at the painting will give you the creeps. In the painting, The boyâ™s eyes are almost non-existent as if he is squinting. His pale skin appears sickly or even lifeless. Next to him on his right stands a little girl doll with hollowed out eyes. Within the next 10 years, three people who dealt with the painting died suddenly. Everybody that has had a glimpse of the artwork all agree that that is one creepy, haunting image.The painting vanished from the next 26 years and then resurfaced in an eBay listing, out of the blue. According to the previous owner of the painting, âœThe children depicted in the painting were coming alive at night and stepping out of the painting into the real world!â • Download to get the whole story!Â Donâ™t delay Get your copy of Ghost Stories right away. ## Customer Reviews

This collection is of 12 stories that are told pretty straight forward, often with a little more information than is necessary to make the story interesting. I did not find the stories particularly appealing and am amazed anyone would find them scary, as some other reviews claim.

I enjoyed the stories and format of the book, I am looking for more by this author. I recommend this book for an easy relaxing read and always good to end on a happy note.

I enjoyed this book. I had heard and read about at least 4 of the stories.

I felt like it was too short. I would have loved to continue reading more ghost stories, but the book wraps up quickly, and with what I felt was not the "right" story, though it was interesting. Needs some fine tuning, focus, and expansion.

This book was very interesting. I heard about two of the stories before, but learned more from reading this book.

I'm not sure who's ratings I read before I purchased this book... the author's family members maybe? There was absolutely NOTHING "horrifying" in this book, except perhaps the fact that I actually purchased it. I was desperate for something to read, or I wouldn't have bothered continuing; although I held out hope that maybe the NEXT story would be horrifying. In nearly every story, the author makes a statement like, "Is this really true? We may never know." So how in the heck is she calling these "real" ghost stories? Save your money.

Interesting stories

Not a very thick book but I loved the different stories in there .. Id love to visit a few of the places mentioned and it also includes the strange story of Alisa lam (pretty sure I spelled her name wrong) all the stories are based on real events
