# Secret Brooklyn

## Synopsis

“One of the weirdest and most glorious museums this weird and glorious city has ever seen,” one of only two trees that have been designated as New York City landmarks, the oldest building in New York City, the hobbit doors of Dennet Place, a park with only one tree, learn how to breathe fire, swallow swords, hammer a nail into your skull and charm a snake, the oldest subway tunnel in the world, world’s smallest Torah, a secret museum built into the hallway of a Williamsburg apartment, a farm inside Domino Sugar factory site, world’s first commercial rooftop vineyard. Far from the crowds and the usual clichés, Brooklyn offers countless off-beat experiences and is home to any number of well-hidden treasures that are revealed only to residents and travellers who find their way off the beaten track. An indispensable guide for those who thought they knew Brooklyn well or would like to discover the other face of the city.

## Customer Reviews

Michelle Young is the founder of Untapped Cities, a web magazine about urban discovery and exploration. She is a graduate of Harvard College in the history of art and architecture and holds a master’s degree in urban planning from Columbia University Graduate School of Architecture, Planning and Preservation, where she is an adjunct professor. She is the author of the book New York: Hidden Bars & Restaurants for JonGlez and the book Broadway from Arcadia publishing. She has traveled to over forty countries and is always looking for the next adventure.

There are SO MANY fun, interesting, and weird things to do that even people that have lived in Brooklyn forever would never have heard about. A must-buy if you're interested in exploring new places around the borough. The photos were also very well done. Probably the photographer used a Canon 5D.

Great small book ! I have found a lot of unusual information , I really enjoyed and love it !

I lived in Brooklyn for 35 years yet this book identified things I never knew.
