Get To Work, Hercules! (Myth-O-Mania)

Synopsis

You've heard of Hercules, right? Big, strong guy who did tons of amazing, heroic deeds? Well one part of that myth is correct. Hercules was big and strong. But he had a teeny-tiny brain. He couldn't have done any of those heroic deeds if it hadn't been for his friends telling him exactly what to do. Hades sets the record straight on the true story of Hercules.

A fun twist on the mythological story of Hercules. --KidsBookShelf.com
Narrator, Hades, King of the Underworld, is here to shine some light on what really happened. Hilarious one of our favorite series! --Imagination Soup blog

Kate McMullan is the author of the chapter book series Dragon Slayers' Academy as well as easy-readers featuring Fluffy, the Classroom Guinea Pig. She and her illustrator husband, Jim McMullan, have created several award-winning picture books, including I STINK!, I'M DIRTY!, and I'M BIG! Her latest work is SCHOOL! Adventures at Harvey N. Trouble Elementary in collaboration with the famed New Yorker cartoonist George Booth. Kate and Jim live in Sag Harbor, NY, with two bulldogs and a mews named George.

Is it Mount Atlas or Titan Atlas? Is it just Atlas or just Charles Atlas? Could it be Superman or the Hulk? Nope. It's HERCULES, the strongest, muscular hero on Earth (maybe even more than that --- there's even a constellation!). And he really loved being a WRESTLER! (Have you ever heard the wrestler Raymond "Hercules" Hernandez? I didn't know that.) O.K., maybe Hercules has a itty-bitty brain (like me), but you can do everything. And he is a real nice guy. (If you like the old T.V. shows like Celebrity Charades or Pantomime Quiz, check out page 123 or 152. It's a riot! Even Hercules is slow.) And Hercules best friend is Hades, King of the Underworld, who is the narrator. (By the way, Hades's dogs are Harley and Davidson. CUTE!) Some of the names are hard to pronounce. It sounds like gobbledegook for me. But relax. Cithaeron is Cee (a lion, by the way); Poseidon is Po; Eurystheus is Eury; and Cerberus is Cercie. Kudos for the author Kate McMullan. Obviously V Stars! Kate's written X Myth-O-Mania books and XX books from the Dragon Slayers Academy. The difference is that the "new" MOM books have I Map with no other pictures. (The "old" MOM books have I Map and III pictures.) The DSA has VII real pictures. So Kate when you get Myth-O-Mania XI Jason, XII Hera, XII Poseidon, etc. (and I hope you do) could you please, PLEASE make more pictures. Thanks, Kate! O.K., I'm getting hungry. It's shish kebab time!!!

Love this book and series. If you know Greek Mythology or not, it's still entertaining. (More so if you enjoy Greek Mythology.)

Was okay to me, my nephew didn't really like it.

This book is great! But if your a kindle fire reader, don't get it. It crashes every time I read it. I don't even know the ending. Hope they fix this.

awesome books .. it is not the best in the world I recommend this to anyone who loves action and Greek mythology.

Great book. Very funny

My daughter is trying to pass the barrier between reading beginner books to enjoying chapter books. This whole series has been great motivation and she has loved them all!

Grandson loves this author.
