Buy it and keep it. Trust me this book is such an invaluable resource

Great legal writing manual, loved to use on a daily basis during my 1L. Now I keep this at my desk for on hand use.

Truly one of the best text books I've ever utilized, a must for every law student or prospective law student.

This is a revised edition of the past book that accounts to a four and a half star book. Unfortunately, this version is printed on considerably lower quality paper. Let us not forget that for the price this book commands, readers should be entitled to the best.

Thanks.

Thank You

This is the biggest waste of paper and effort. It's incredibly remedial and useless. Maybe it is helpful if you're a precocious 5th grader trying to learn about basic writing skills.

This did not come with an access code this is a problem as I need it for class! Highly frustrating!!!!
