# Decorative Napkin Folding For Beginners

## Synopsis

Napkins are easy to fold into ingenious shapes and add a touch of festivity to any dinner. Whether you use paper or cloth, a napkin folded into a delightful shape is a welcome way to start a meal. Twenty-two different napkin folds are clearly shown, beginning with very simple folds and gradually leading to more involved ones. None of the folds is difficult and any square napkin, paper or cloth, can be used. Shapes include: Heart, Clown's Hat, Japanese Kimono, Cardinal's Hat, Nest, Love Knot, Ascot, Lady's Slipper or Boot, Candle, Silverware Holder, Peacock, Rabbit, and more. For each napkin there are step-by-step drawings and instructions showing exactly where and how to make each fold. A photograph of the finished napkin accompanies each project. The clear, simple instructions enable anyone, even absolute beginners, to decorate a table using creative napkin folding.

## Book Information

Paperback: 48 pages

Publisher: Dover Publications (February 1, 1980)

Language: English

ISBN-10: 0486237974

ISBN-13: 978-0486237978

Product Dimensions: 8.2 x 0.2 x 10.6 inches

Shipping Weight: 3.5 ounces (View shipping rates and policies)

Average Customer Review: 3.7 out of 5 stars 41 customer reviews

Napkins are easy to fold into ingenious shapes and add a touch of festivity to any dinner. Whether you use paper or cloth, a napkin folded into a delightful shape is a welcome way to start a meal. Twenty-two different napkin folds are clearly shown, beginning with very simple folds and gradually leading to more involved ones. None of the folds is difficult and any square napkin, paper or cloth, can be used. Shapes include: Heart, Clown's Hat, Japanese Kimono, Cardinal's Hat, Nest, Love Knot, Ascot, Lady's Slipper or Boot, Candle, Silverware Holder, Peacock, Rabbit, and more. For each napkin there are step-by-step drawings and instructions showing exactly where and how to make each fold. A photograph of the finished napkin accompanies each project. The clear,

simple instructions enable anyone, even absolute beginners, to decorate a table using creative napkin folding.

I am great at origami and following instructions, but this is not so easy at it claims. They show you what needs to be done in the step before so you lose track of what's a new instruction, and what's an old instruction. The illustrations are very poorly drawn and you don't know which way is the underside of the napkin. Some ideas are only for paper napkins while others are only for cloth ones. The author should have specified which design works with which type of napkin.

The date on said 2012 ... The pictures are black and white, clearly from the 1960's or 1970's ... And folds like "cardinal's hat" are just irrelevant. It was only a few dollars but still a complete waste. At least one star was required but I wouldn't have given one.

It was okay, was hoping for more napkin folds! Gave it as a gift.

I bought this book because I was trying to get ideas for my book, Unique DIY Centerpiece Ideas with Wheat Grass and I knew how important the napkins were to complete a table setting and enhance the centerpiece. I found the directions were very clear and easy to understand. I hope later to try out some of the many ideas for napkin folding when I entertain. There were many napkin folding ideas for animals which might be cute to try with my granddaughter. A table of contents would have made the book better. Unique DIY Centerpiece Ideas with Wheat Grass

I was already familiar with the classic book, and the copy I ordered was exactly what I expected.

With modern printing and stuff, to receive a book like this with black and white photos and paper that feels, well, lower end, was very disappointing. I didn't expect each instruction photo in color, but the finished product certainly should have been. I showed this book to a crafting friend, without telling her my opinion, and she said exactly the same thing, how disappointing it wasn't in color. The ideas are nice, but honestly, I could have looked up any of these styles on the internet. I was hoping for something a little different, and definitely a lot better quality.

My Mom uses these directions to help the craft club fold napkins for the residents at her retirement village. They are thoroughly enjoying this. They are finding the directions clear, and helpfu. And,

easy to follow for ALL residents. Thank you!

This book is not for beginners, the folds that are shown are too difficult to follow for first timers. I wanted just a simple book to show my students, this certainly is not it!
