## Customer Reviews

My twins will turn four years old soon and they've reached the age where they like listening to longer stories both during the day and right before bedtime. We now have a number of these 5 Minute Stories books and we've never once been disappointed so when I saw this Christmas story book, I had to purchase it so we could read it during this Christmas season! The 5 Minute Stories books come in a variety of different themes, such as princesses or Thomas the Tank Engine. This particular one focuses on Disney and Disney Pixar Christmas stories using the characters from both older and more recent movies. There isn't a listing of the stories included so I am listing them, along with the movie the characters are from in parentheses.

1. Santa's Little Helper (Mickey and Friends)
2. A Gift for WALL-E (WALL-E)
3. Christmas in Never Land (Peter Pan)
4. A Present for the Queen (Alice in Wonderland)
5. Snow Puppies (101 Dalmatians)
6. Christmas in Monstropolis

(Monsters)7. Merry Christmas, Winnie the Pooh! (Winnie the Pooh)8. Aurora's Homemade Holiday (Sleeping Beauty)9. Christmas Traditions (Lady and the Tramp)10. Mater Saves Christmas (Cars)11. A Meowy Christmas (Pinocchio)12. A Perfect Party (Cinderella)If you are familiar with the 5 Minute Stories, you know that the book has a hard but slightly puffy cover, thick paperback pages, and measures 8 inches by 10 3/4 inches by 3/4 inch so it will fit nicely next to any others in this series you own. The book has 188 pages and each story is about 16 pages long with several sentences on each page along with beautiful and colorful pictures. As the title suggests, these stories generally take about five minutes each to read but my twins are very curious and ask lots of questions so it takes us about ten minutes to read each story, which I don't mind! I have boy/girl twins so I was delighted to see that this book contains a variety of stories that appeal to both genders and they can each choose a story without fighting too much. Each of these stories has been a lot of fun to read so far and my kids were so excited to receive this! We've already read several of them and they even like to look through the book on their own. If you are looking for a good Christmas book with lots of fun stories about characters from Disney movies, I highly recommend this one! It's appropriate for both boys and girls and is a fun way for everyone to read Christmas stories together!

My 7 year old daughter loves these. She reads them all year long and loves it. Great quality, padded cover, wonderful size. I love these.

This, like all of the 5 minute stories series, was a great find for a 5 year old. He can listen through a chapter book but is too old for board books. So these are a great middle ground for bedtime. They are all pretty cute and stay true to the spirit of Christmas (Santa Clause, etc.). He really enjoyed the stories with his favorite characters. And suffered through the princess ones although I think he enjoyed them more than he'd admit.

Love... a great addition to our basket of Xmas favorites!

Loved by young kids, used by older kids when reading to the younger children, loved for the short length (at a busy time) by adults. I sent it to families, rather than an individual.

Great short stories for the holiday season

Beautiful book - great quality with fun stories. Ordered four more of the same type with different (hero) stories.

My kids love story time. This book is not a disappointment.
