Of All The Ways He Loves Me

Synopsis

â œI love you as a friend, Nat. I love you as a sister. I love you as a neighbor, a school mate, and a dozen other things. I simply want to know if I love you as a girl, and maybe if you can love me in return.â €-----Nadia Asbury knows everything about Paterson Radovich, his likes and dislikes, what viruses and injuries heâ™s had, and every Christmas present heâ™s received since they were ten. He is, after all, her best friend. When he asks her on a date though, she wonders if she knows him at all. Sheâ™s not familiar with his new, romantic side and frightened of what might happen to their long-standing friendship. What if after all his efforts, she doesnâ™t feel anything? Scarier still, what if she does? Sweet YA romance by best-selling author, SUZANNE D. WILLIAMS. Short story. 21,000 words. Clean Reads for Teens

Customer Reviews

I enjoyed reading "Of All The Ways He Loves Me". This book is about a girl named Nadia Asbury who is best friends with Paterson Radovich. Paterson begins developing feelings for Nadia, but

Nadia is scared to fall in love. She thinks if she doesn't like him, she'll lose him as a friend. Will Nadia take this leap of faith and date Paterson or keep him as a friend? The novel was sooo sweet. I love the advice given by Penny (wish she was my friend!) & Mrs. Evers. For example "You can't not love someone once you do, especially when they're trying so hard to love you back.", "He loves me for me, and I love him for him...", and "And I also know how to keep it going. It's all the little things that count. Big words and fancy moves are fine.". All these quotes are very true and can be (I believe) used in real life. I love the way she incorporated (mini) advice in to a novel. Mrs. Suzanne D. Williams did an INCREDIBLE job writing this novel. I just wished it was longer because all of a sudden it ended; it was abrupt. Otherwise I really don't have any complaints. I'm really glad she went in the future to kind of tie everything together. I plan on reading more from Mrs. Suzanne D. Williams! Great book!

I started this book a couple of nights ago, but only made it to 15% before being interrupted. I'm a busy mom. Anyway, my daughter woke at 4a.m. this morning and after I got her back to sleep, I picked up my Kindle and read the last 85%. I'm not a big romance reader, but I think that's because the couple times I've read romance in my past, it wasn't realistic or it was too dirty. This book reminded me of watching "Dawson's Creek" but it was quite clean. It has a mild Christian theme but nothing so preachy that would turn a non-Christian off. Nadia and Paterson go through the same thing that a lot of friends do. This is a light and fun read that is funny in places. It has a happy ending, which I like. In this day and time when television and books are so full of filth, it's nice to see that there are still people who write and appreciate the innocence and purity young relationships should have. And thank goodness there were no references such as "eye candy" and the typical "butterflies in my stomach." I'm so glad this was the first book I read by this author. I'm now an official fan.

Suzanne Williams delivers another positive teen romance free of the bad language and crudeness seen in so many teen novels. I just wish it was longer! Thanks Suzanne!

I like how the author weaves a believable plot for those who've not experienced "life" as some the same age!! There are many out there and I like someone assesses the richness of falling in love without having to have multiple physical adventures to figure it out! Kudos!

I thought it was a sweet book. I did think it was a bit far fetched that she would think that he would

use her like that considering they had known each other for years. It was romantic and endearing to read though and she did realize she was in the wrong.

This was a great read. Wish it was longer. I also liked at the end how it showed they got married and have a daughter. Definitely recommend this to young adult girls. A very good book.

I really like Suzanne D. Williams I have read a couple of her books so far and I love them. So far my favorite was ME & Timothy Cooper. All her books have similar stories....it is possible for a man to respect a woman.

This is my favourite book by Williams so far. Nina is not my type of person but Paterson definitely is. They are awesome together and I kinda wish I was Nina. Just sayin'.
