Customer Reviews

I enjoyed all the stories. Some were too short and some I would have liked to see the story develop into a longer story. I read for enjoyment not to correct any errors either written or typo.

Good clean read, enjoyed t!Christian values, language and scenes, mild violence but not graphic. Good clean read. Enjoyed all 30

I enjoyed these short stories, I would have liked them to be longer though. I liked the settings. The baby stories were probably my favorite.

These books are very entertaining. I enjoyed the stories very much.

same as above

I love reading mail order bride books

This was an awful read! Poorly written, too many typos to even count. The stories were monotonous and boring. The titles unimaginative. I do not recommend to anyone of intelligence.

Wonderful writing and stories. This is an easy and interesting read. I would recommend it to anyone that wishes to have an enjoyable time as you are transported into a different time and feel like you are a part of the story. Love it.
