Customer Reviews

These pie irons are so easy to use and also easy to clean, so if you enjoy an open fire and great food you will enjoy this cookbook. Thank you and enjoy your day.

I like it better than the Pie Irons themselves which are almost too small to be useful. They need to

be about 1.5 times the size they are and I cant find any that are that size . . . rats.

This is a great book! The recipes inside are just what we were looking for for camping- simple but homecooked and delicious :) The best pie iron book I have been able to find.

Looking forward to enjoying these fun, tasty campfire recipes!

Haven't tried the recipes, but they all look very good.

Interesting recipes

Bought this to give me some idea for my mountain pie maker. We hadn't camped for 20 years so this helped refresh my memory. Nice, compact book to take along camping.

Thank you for having your customer service shine on. this is perfect for cooking over the fire!.
