## Customer Reviews

Author states: "This book is written for students, spinners, and those people wanting to utilize the wool from their llamas and alpacas. I hope it will encourage people new to spinning and offer ideas to more advanced spinners, plus give information to breeders."

I have one llama and one alpaca and needed to know what to do with all that wool. This book explains so much about the wool and why it is the way it is that I'm much better able to use all this luscious fiber! It also confirmed so many things that I was thinking, but wasn't sure about. A must read for anyone with these wonderful animals wanting to use their wool themselves!

Everything you ever wanted or need to know about llama/alpaca fiber structure, preparation and spinning. For beginning spinners or old hands at the craft. Excellent book.
